PHASAGE R&I LEAP FORWARD WINTER SCHOOL

THIS IMAGE WAS GENERATED BY PHASAGE TEAM WITH THE ASSISTANCE OF AI

This project received funding from
European Union's Horizon 2020
research and innovation programme
under grant agreement No 952334.

The PhasAGE consortium welcomes all the participants at the **PhasAGE Research and Innovation Leap Forward Winter School** on 18 October 2023 at the Instituto de Investigação e Inovação em Saúde (i3S) from the University of Porto.

PhasAGE is a Twinning project funded by EU Horizon2020 research and innovation programme under grant agreement No 952334 (www.phasage.eu), which aims to establish a research and innovation hub in the field of biomolecular condensates and their roles in aging and age-related disorders such as Amyotrophic Lateral Sclerosis and Frontotemporal Degeneration, Alzheimer's and Parkinson's Diseases. The PhasAGE consortium is composed by four European research institutions:

- Instituto de Biologia Molecular e Celular (IBMC/i3S, Portugal) - Coordinator
- University of Padova (UniPD, Italy)
- Autonomous University of Barcelona (UAB, Spain)
- Vlaams Instituut voor Biotechnologie (VIB, Belgium)

The R&I Winter School is dedicated to R&I management staff from both within and outside the PhasAGE consortium. Its purpose is to create a platform for networking, collaboration, and knowledge sharing among professionals involved in R&I management.

The Winter School will bring together speakers from the project partners, namely UAB, VIB, and UniPD. Through a series of sessions, the Winter School aims to offer participants the opportunity to strengthen their knowledge and insights in R&I management trends. This one-day event will cover various topics including Grant/Funding management, Tech Transfer, IP Management, Ethics, and Fundraising, allowing attendees to gain valuable information, strategies, and best practices in the different areas.

Sandra de Macedo-Ribeiro
(Project Coordinator)

ORGANIZATION I

ORGANIZING COMMITTEE

Catarina Neves, IBMC/i3S, University of Porto
Mónica Lopes-Marques, IBMC/i3S, University of Porto
Catarina Ferreira, IBMC/i3S, University of Porto
Rita Vilaça, IBMC/i3S, University of Porto
Sandra Macedo-Ribeiro, IBMC/i3S, University of Porto

| Registration

The registration desk will open from 08:30-09:00 at the i3S main entrance.

| Name Badges

Participants must wear their name badges during the venue.

| Internet access

Wireless Internet is available for free. The network is i3S_Temp and the password is Password2015.

| Event Venue

The event will take place at **i3S – Instituto de Investigação e Inovação em Saúde, Universidade do Porto.**

Address: Rua Alfredo Allen, 208; 4200-135 Porto, Portugal

GPS coordinates: 41° 10' 30.008" N, 8° 36' 12.488" W.

Google map link: <https://goo.gl/maps/yvstCwa8Wmp>

How to arrive to i3S by train and metro

Metro or bus is available from Campanhã or São Bento train station. However, the metro is the easiest way to reach i3S.

From Campanhã train station:

- Metro: All lines are possible (A, B, C, E and F) | Destination Station: Trindade and then change to line D - yellow (destination Hospital São João) – and leave at station: Pólo Universitário

Average time: 25 minutes | For more information: <https://en.metrodoporto.pt/>

From São Bento train station:

- Metro: Line D - yellow | Destination Station: Hospital São João; leave at station: Pólo Universitário (no connections – direct line)

Average time: 20 minutes | For more information: <https://en.metrodoporto.pt/>

18 October 2023
